

Contribution to communities is an important part of the HSBC approach to sustainability. The HSBC Group has a long history of supporting communities where it operates. At HSBC Bermuda, we are aligned with HSBC's global community investment strategies and are committed to supporting programmes and events in the local community.

Donations

Donations are defined as support given to registered charities or non profit organisations in Bermuda. These partnerships do not have commercial benefits, but are strictly for philanthropic purposes.

Donations should:

- Wherever possible focus on HSBC Group's key themes of education, environment or medical
- Bring a lasting benefit to the local community
- Benefit a broad cross section of the local community
- Communicate and reinforce HSBC's commitment to the community
- Motivate staff through opportunities and direct involvement
- Have clear objectives and measurable impact

Donation support will not be provided for:

- Individuals
- Sporting events or teams
- Groups with political affiliations
- Organisations that primarily exist to develop furtherance of faith based issues
- Organisations that may pose a conflict with our corporate goals, products, employees or customers
- Organisations or initiatives whose operating model is controversial
- Capital spend, renovation or building projects
- Zoological parks for captive conservation projects
- Organisations that serve a limited membership
- The purchase of land or property
- Payments of salaries, which should not be the primary reason nor form a significant part of the donation
